

Elitech PG-30Pro Blue | Digital AC Pressure Gauge | Range - 14.5~500 PSI

Real-time system pressure measurements are made with the PG-30Pro digital pressure gauge. It has a large creative screen and one-year-long batteries. In addition to its other features, the gauge offers a backlight, auto off, low battery indicator, and overpressure warning. It is intended for use in a variety of applications, including pipe and refrigeration systems.

Specifications	Details
Pressure Range	Red gauge: -0.100 ~ 5.515MPa(-14.5-800 psi) Blue gauge: -0.100 ~ 3.448MPa(-14.5-500psi)
Resolution	0.001MPa, 0.5psi
Accuracy	±0.5%FS
Measuring Units	Temperature : °C/°F
Measuring Units	Pressure : MPa, bar, psi, KPa, kg/cm ² , cmHg
Display	LCD screen with blue backlight, 50 x 26 mm
Battery	3 AAA batteries
Battery Life	Approx. 1 year
Operating Temperature	-10°C~60°C
Humidity	35% ~ 85%RH
Connection	1/8NPT
